

Central South Dakota Outdoor Report

Wildlife Division – Region 2

Brule/Buffalo Counties

Diana Landegent

Fishing Report: See Missouri River Report below

Lake Francis is currently open due to the nice weather lately. Fishermen have been catching nice sized walleyes from 15” to occasionally 20”. Fishermen have reported fishing with a gig and minnow in water 20’ to 10’ from Crow Creek down to the mouth of the White River. Fishermen have reported fishing to be slow lately.

The boat ramps in the Chamberlain area are open.

The fish cleaning stations are closed until the nice weather stays for good. The minimum length restriction is 15 inches with one walleye over 20 inches. The daily possession limit is 4 walleyes and 8 walleyes possession.

The area between the Interstate Bridge and Railroad Bridge known as the dredge hole is now closed until April 30th.

REMINDER: Purchase your 2015 fishing license. The 2014 fishing license expired January 31st.

Get out and enjoy the nice weather!

Hunting Report:

Canada goose season closed February 15th.

The light goose conservation order opened statewide February 14 and closes May 3rd. This season includes snows, blue and Ross’ geese. Canada geese, white-fronted geese or any other goose species cannot be taken. Snow geese stuck around for a couple days last week, but no reports of snows geese have been reported in the area lately.

Archery turkey season opens April 4th – May 17th. Prairie turkey season opens April 11th through May 17th. There are approximately 109 leftover turkey tags for Brule County.

A Huntsafe class is scheduled for April 10th and 11th in Chamberlain. Both days are required to successfully complete the class to receive a Huntsafe card. Or if the class is completed online,

the field day is Saturday the 11th in the afternoon. Please contact the Chamberlain office if you plan on attending the field day only.

Students must register online at: <https://gfp.sd.gov/outdoor-learning/hunter-education/ClassList.aspx>

Fishing Report:

Pudwell Dam: Good fish populations including several year classes of walleye, largemouth bass, crappie, and perch. Fishing activity has been low.

Morristown East: No activity but stocking efforts past two years has been successful for largemouth and crappies. Fish size is small. Some northern pike.

Morristown West: No activity. perch stockings have been successful ranging from 8-10 inches.

Trail City Dam: Little to no activity and a lot of small northern pike showed up in surveys.

Little Moreau #1: Activity low. Not much biting.

Little Moreau #2: Catching nice size rainbow trout on lures and corn with salmon eggs.

Isabel Lake: Some activity. Largemouth bass have been biting. Nice population of bluegill, some large being caught.

Eagle Butte Dam: No activity. Year classes of bluegill look very good ranging from 6-8 inches. Bass numbers are very good as well as perch

Hunting Report:

All seasons are closed in the area. Spring turkey will open in a few weeks. Turkey numbers are still in the area but a small increase over last year. Get permission from the landowner before hunting.

Platte Area: Anglers are catching some fish. Jigs and minnows have been producing some fish as well as crank baits in deeper water. The biggest challenge in this part of the reservoir at this time of year is locating fish. If you are not marking fish with your electronics move and try a new location.

Ft Randall Dam: Anglers are catching walleye below the dam on jig and minnow presentation. The bite has been sporadic with some days being good and others not at all. The trout have been stocked and have been biting, try a small kastmaster or mepps spinner. A simple bobber and split shot rig tipped with corn is a good option as well.

Hunting Report:

No snow geese in the area. Crows are abundant, season runs through the end of April.

Gregory County

Hans Walleser

Fishing Report:

Boat fishing has slowed down below Fort Randall Dam and Fort Thompson. Slow presentations have been producing the best results. Water temperatures are still very cold, keeping the fish lethargic. Try slowly dragging a jig and minnow. Walleye minimum size limit is 15 inches and only 1 fish allowed over 20 inches. Daily limit is 4 and possession limit is 8.

Any questions or concerns may be directed to Conservation Officer Hans Walleser at 605-775-2475 or PO Box 433 Burke, SD 57523. Have fun. Be safe.

Hunting Report:

As of March 9, there were 180 leftover turkey tags for Gregory County. First come first serve. Apply online.
